Weighing the Evidence

The evidence:

Our perceptions of reality

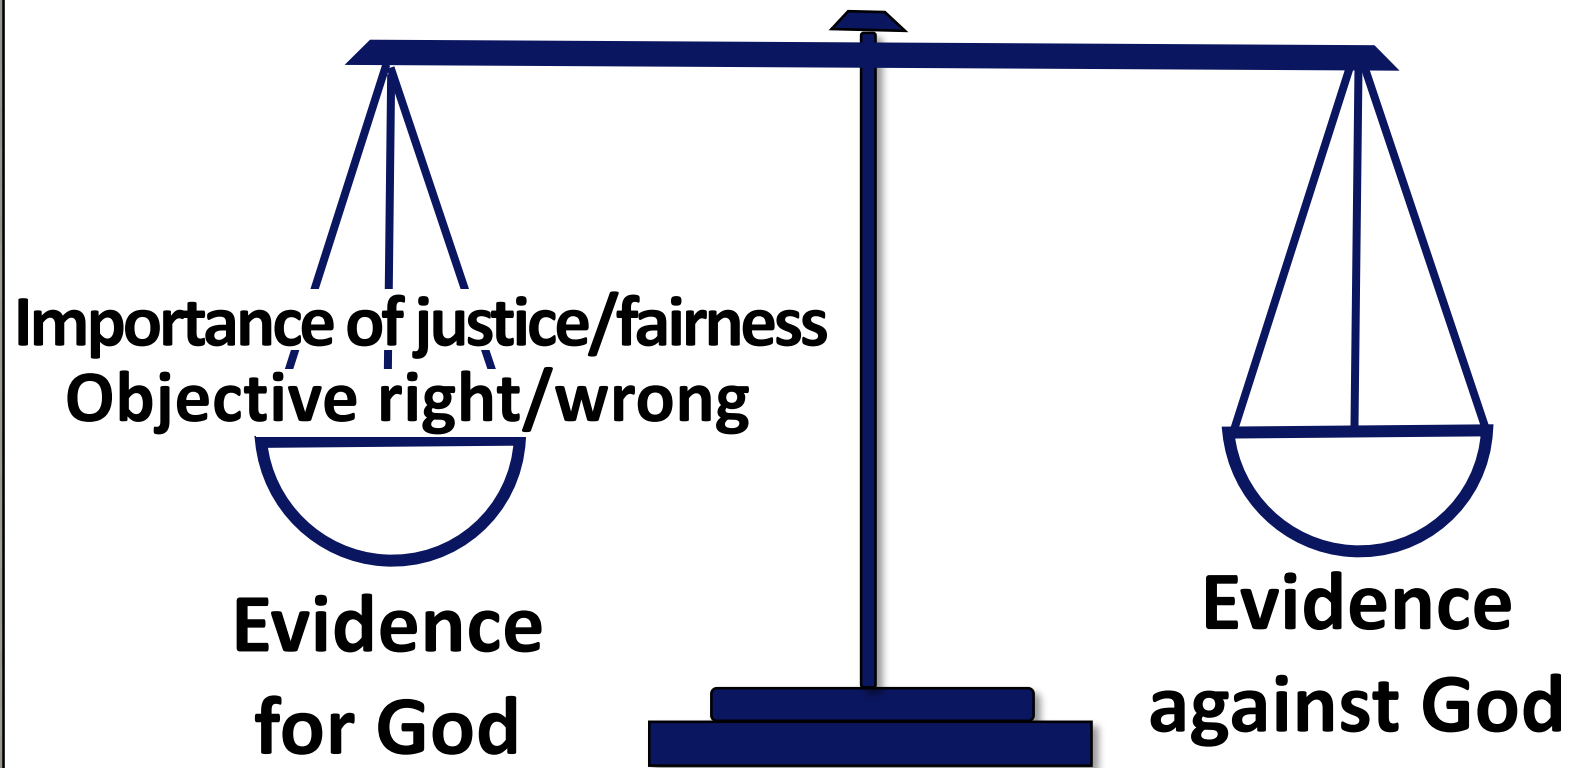

Positive Perceptions

- ✓ 1. Why is there objective right/wrong?
- ✗ 2. Why is there “beauty”?
- ✓ 3. Why is “justice” and “fair” important?
- ✓ 4. Why is there a basis for dignity and honor?
- ✓ 5. Why do we uniquely value humanity?
- ✓ 6. Why is there meaning and significance in life?
7. Why do my actions fail to meet my standards?

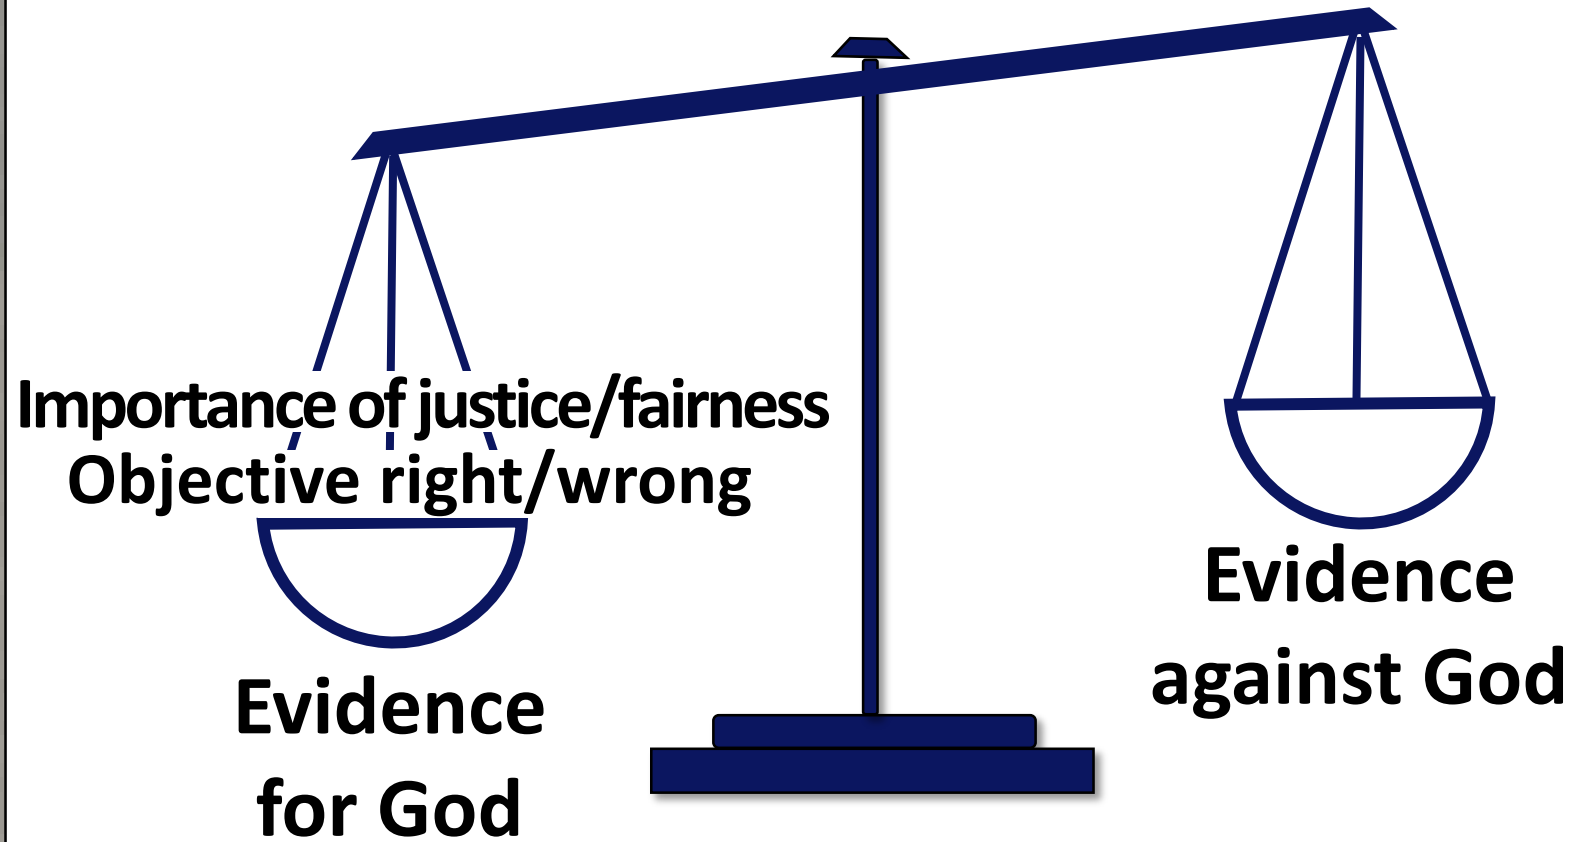

Negative Perceptions

1. Why is there suffering?
2. Why can't we see God?
3. Why do many prayers seem unanswered?
4. How does God mesh with science making sense of the cosmos?

Why do my actions fail to meet my standards?

My ancestors
Have had
2,000,000 years
Or well over
75,000 generations to naturally
select people who don't
over eat!

Why do my actions fail to meet my standards?

My ancestors have had 2,000,000 years or well over 75,000 generations to naturally select people with rock solid self-control

Why do my actions fail to meet my standards?

Judeo-Christian God

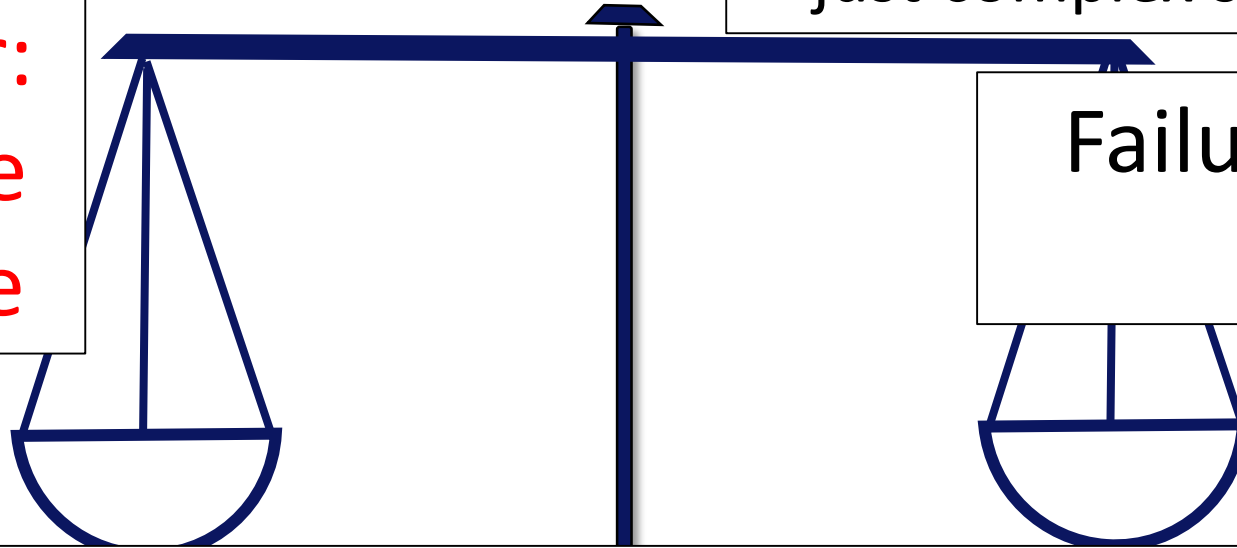

Life as a sinner:
The fruit of the
poisonous tree

No God

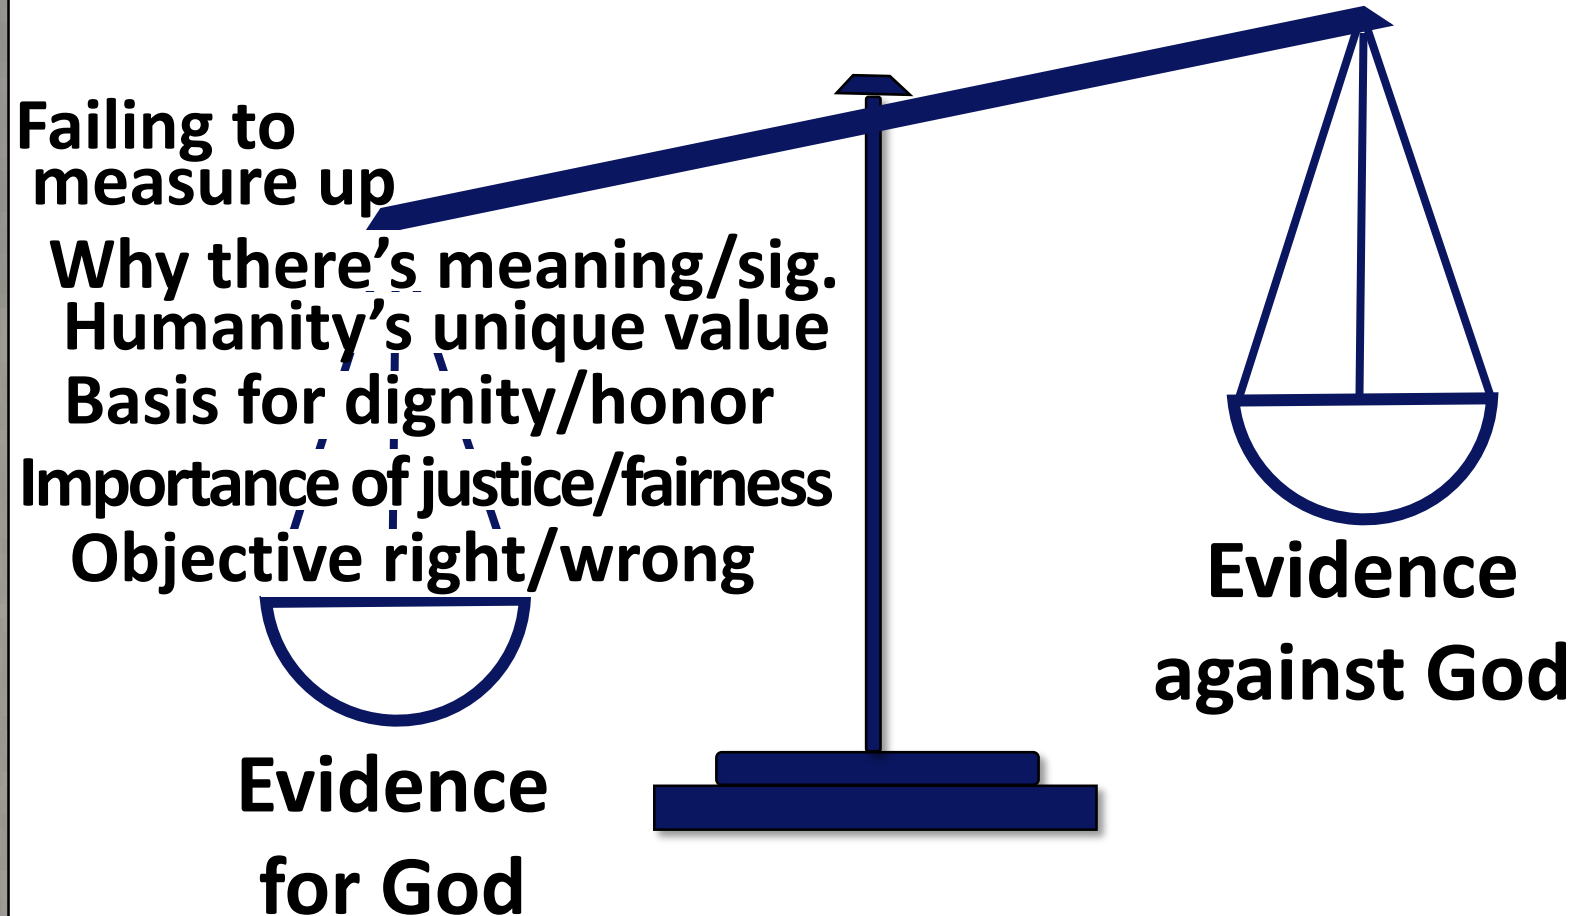

just complex sacks of chemicals

Failures of natural
selection

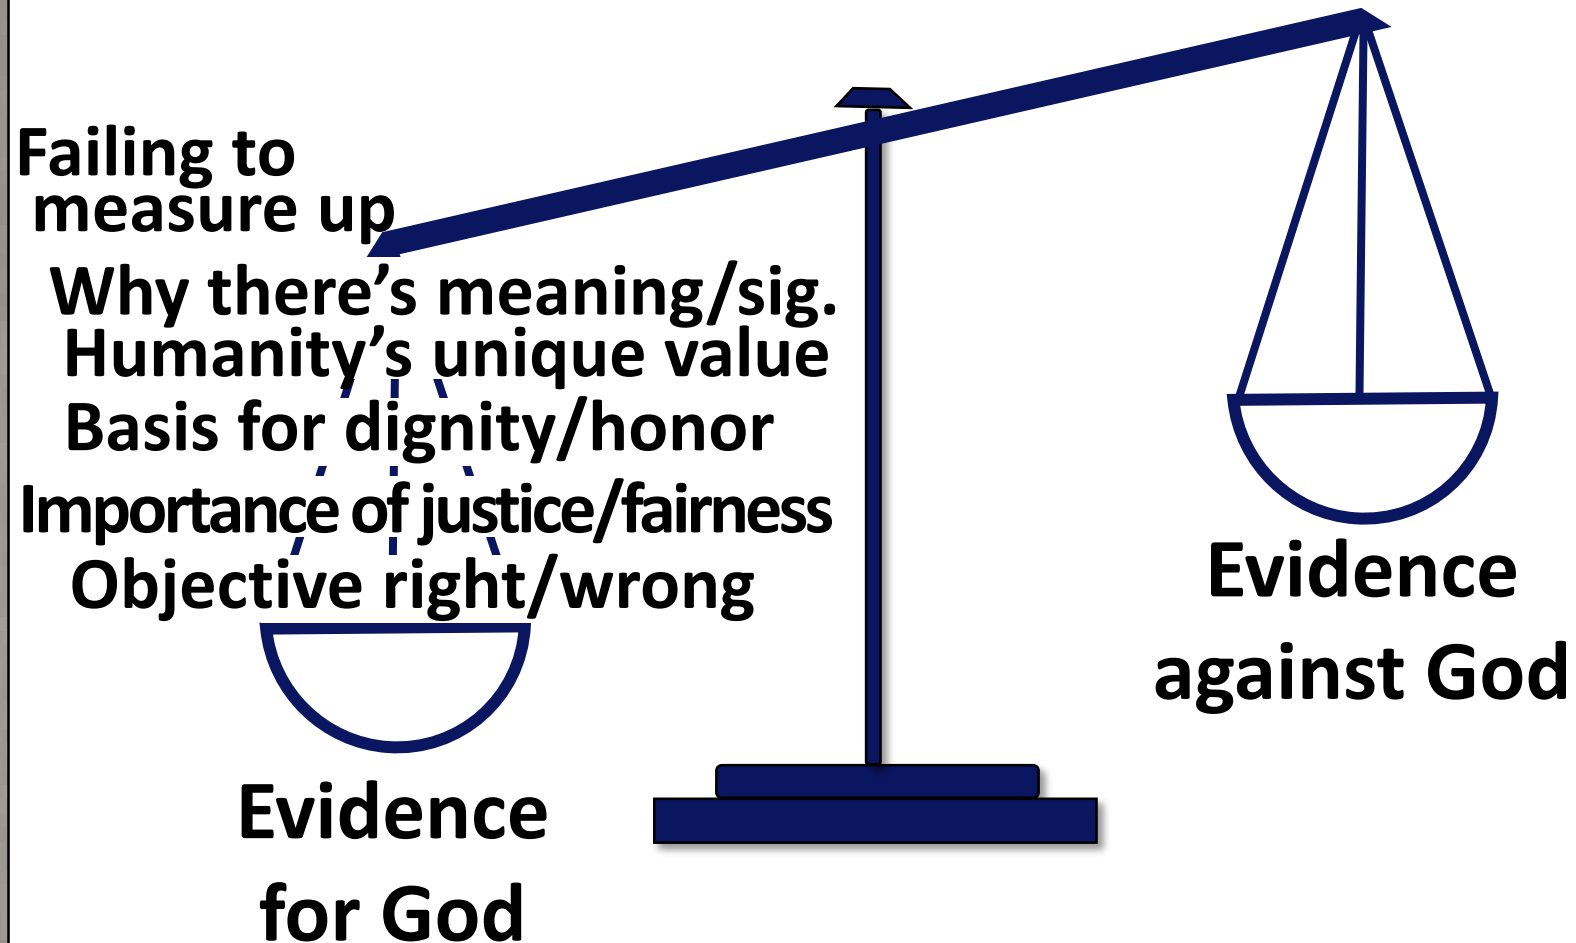

What about the Mao Zedongs,
Hitlers, Stalins, Pol Pots, etc.?

Why is there suffering?

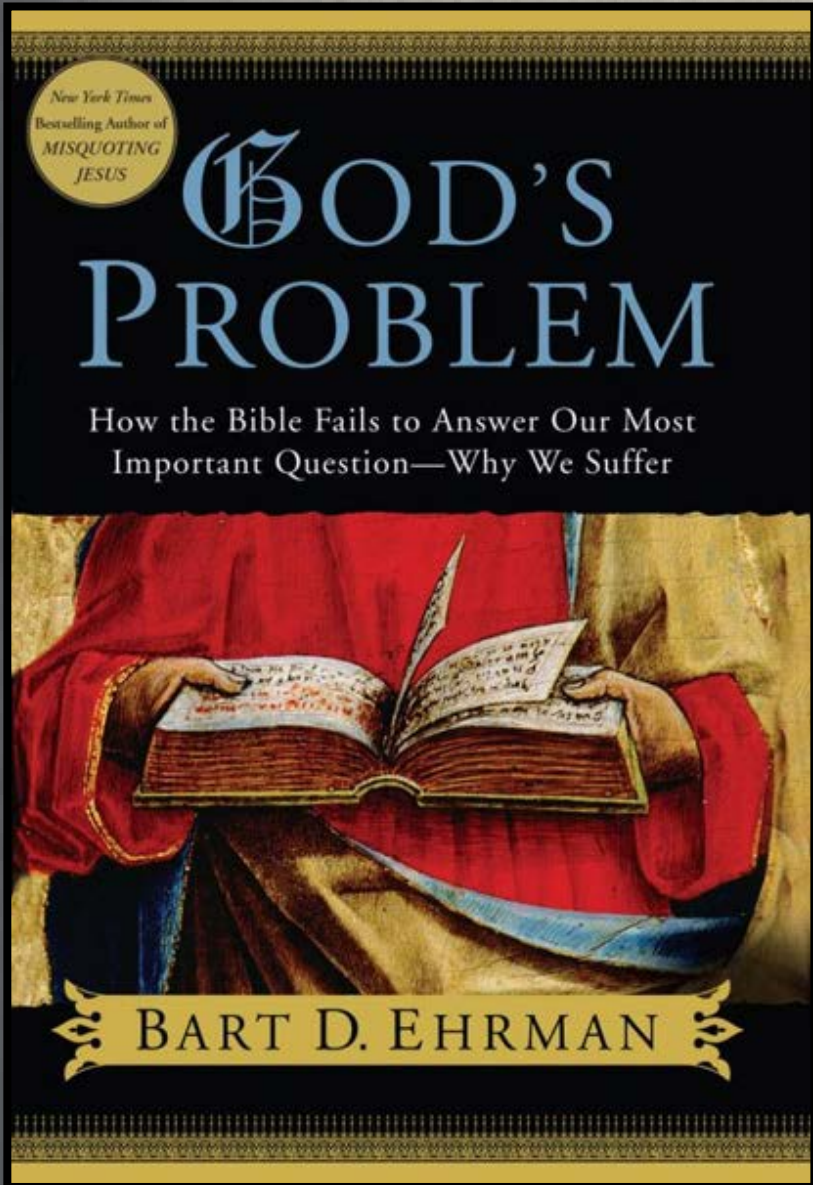

If there is an all-powerful and loving God in this world, why is there so much excruciating pain and unspeakable suffering? The problem of suffering has haunted me for a very long time... Ultimately, it was the reason I lost my faith

Why is there suffering?

Where is this God now? If he came into the darkness and made a difference, why is there still no difference? Why are the sick still wracked with unspeakable pain? Why are babies still born with birth defects? Why are young children kidnapped, raped, and murdered? Why are there droughts that leave millions starving, suffering horrible and excruciating lives that lead to horrible and excruciating deaths?

Why is there suffering?

If God intervened to deliver the armies of Israel from its enemies, why doesn't he intervene now when the armies of sadistic tyrants savagely attack and destroy entire villages, towns, and even countries? If God is at work in the darkness, feeding the hungry with the miraculous multiplication of loaves, why is it that one child—a mere child!—dies every five seconds of hunger? Every five seconds.

Why is there suffering?

Suffering is tragic
and real.

Why is there suffering?

IMPORTANT: That this bothers us
is an indication of our hard-wiring
for justice and fairness

1. What **kind of God** would exist that explains suffering?

What **kind of world** would explain suffering?

3. What **kind of humanity** would explain suffering?

Cain and Abel:
a story of **choices**
and **consequences**

How dare you G

“This wasn’t my plan”
“This wasn’t my choice”
“And I **DO** have a solution”
A *real* and *just* solution”

Why not our solution?
Why doesn't God
eliminate all cancer?

Why not send a lightning
bolt for Hitler?

Points for home

*“Sin came into the world through one man, and death through sin, and so death spread to all men because all sinned”
(Rom. 5:12)*

**I am personally thankful for
God’s just solution**

Points for home

*“I was hungry and you
gave me food”
(Mt. 25:35)*

**I need to share God’s agenda
on suffering**

Points for home

because of you”

not Paradise**
